

Woodblocks of the Santa Fe Trail – New Mexico

Size: 11" x 11"

Edition: 30

Release Date: October 2008

Print Processes: Woodblock and letter-
press

The hard bound book tracks the Santa Fe Trail as it treks through New Mexico. The full page woodblock illustrate noted sites along the trail and are accompanied by letterpress text describing the site and its significance to the trail. There are 13 full page illustrations and 16 small spots in the 67 page book. All illustrations are hand cut woodblocks by Loughridge.
